Fall is quickly approaching

Volume 3, Issue 1, August 2005

Here in Florida it is hard to even think that Fall is almost here. However, it is just a month away so it is time to start clearing out the Spring & Summer fragrances and adding the Fall & Holiday scents. This month we will be offering our members **25% off** all jar candles in the Spring Splendor and Scentational Summer categories to make room for Fall. Please use the code "August" in the comment box when checking out. We will refund the amount of the discount prior to processing your order.

Fall Fundraisers

With the new school year starting it is the time to start planning those Fall fundraisers. A Burning Desire is pleased to announce that we are on the approved vendor list for both Hillsborough and Pasco Counties.

Each year the same type of fundraisers are considered—candy, gift wrap or car washes. Why not try something different this year? We have a very easy & profitable fundraising program. In addition to a sliding scale of profit for your group there are no shipping charges for local organizations. With our sliding scale, the more candles sold, the greater the percentage the organization keeps.

Our program is not just geared for the schools. We also work with sports leagues, dance studios, extracurricular activities, as well as church groups. Please visit our site for more information.
