

## Christmas in July!

### Let's Have a Sale

Summertime is for fun so let's have some fun. For the month of July we will be having a sale for our members only. All jar candles will be **10% off** for the month. This will allow you to try something new. All 10 and 16 ounce jar candles other than the Monthly Specials will qualify for this special sale. Please put the code "July" in the code box or in the comment box while checking out. We will refund the amount of the discount prior to processing your order. Have Fun!

### Let's Have a Party

We are pleased to announce our new On-Line Party program. This program will allow you to have a virtual party that earns you candle credits. Since we are all passionate about candles, what could be better than earning free candles?

The program is very easy to use. You simply send us an email with the email addresses of the family & friends that you would like to invite. We will then email all your invitees about the party. We set a 2 week time frame in which orders need to be placed in order to qualify. Your friends & family place their orders, using your code, and you collect points. At the end of the 2 weeks, you will get an email from us telling you how much you earned in candle credits. You will earn 15% of all the products ordered!

The best thing about this party is no cleaning up the next day!

Send us an email at [info@aburningdesire.com](mailto:info@aburningdesire.com) and let's get the party started!

**Coming Soon**—We will be launching a new collection of fragrances—Romantic Moods.
