

Something's Different

New Look

Most people do their cleaning in the Spring but we are always trying to be a little different. We have completely redesigned our website. We have added new navigation links and new features to better serve you. Some of the new items you will notice are:

- Information on the On-Line Parties
- New Contact form on the contact page so that you can more readily send us questions and/or comments.
- Archived Newsletters so that you can check out old issues.

New Scents

Fall is here. Well, on the calendar at least. Since it is now that time of year, we have taken down the Spring Splendor and our Scentational Summer categories to make room for our Fall Festival and Holiday Memories Fragrances. Please note that although the Spring & Summer scents are no longer on the website, you can always send us an email and we would be more than happy to send you those scents. Please check out the new categories.

Special Offer for Subscribers Only

For the month of September—order any Fall Scent and receive a Pumpkin Patch Kid candle topper for only \$5.00. Please use the code "Fall" in the comment box when checking out. We will refund the amount of the discount prior to processing your order.

New "Sniffie Samples" - Can't decide if a fragrance is right for you? Send us an email with your name & address and request up to 5 "Sniffie Samples". These are a perfect way to sniff a fragrance prior to purchasing.
